Customer Reviews

An excellent and in-depth guide offering an insight into the history, culture, mysticism and the legends concerning these fascinating islands. -- Publishing News

Sarah Carpin is a British journalist and radio broadcaster who lived and worked in Seychelles for many years before returning to Sussex, England where she is now based. Paul Turcotte is a Seychelles-based photographer whose work has appeared in many international magazines. He is also involved with film production for companies shooting on location in the region.

Good informative

I read this excellent book, here in Brazil. This excellent book has more than 200 photos with colour and some good maps also with colour. The woman that wrote this book, Sarah Carpin, made an

excellent book. Please, I don't have money to go to the Seychelles islands, but I live in a Brazilian city with an ocean similar to these islands' ocean. I saw dozens of beaches, but the Seychellian beaches with photos in this book are excellent. The text of this book is also excellent.

very good tips for the Seychelles and good for enabling visitors to get along, Know Before You Go

Glad to have this book to help plan a possible trip to the Seychelles Islands when I turn 60 next year.

Great book. Very sad that it is not newly updated. The info is all correct except a few restaurant tips.

Ahhh Seychelles, my dream destination. This book is very informative and has beautiful pictures. I can sit back, open this book, and dream about the day I finally make it there. Someday!

This book is one of the most helpful when planning a trip to an exotic place. The pictures tell the story. I can't wait to take the family to the Seychelle Islands.
