The Pocket Edition of Pastoral Care of the Sick from Catholic Book Publishing contains the complete texts of the Rites in a small, handy format for personal use. All the features of the large edition are here, including Communion of the Sick, Anointing of the Sick under various circumstances, and Pastoral Care of the Dying (Viaticum within and outside Mass, Commendation of the Dying, Prayers for the Dead, and Rites for Exceptional Circumstances). The Pocket Edition of Pastoral Care of the Sick from Catholic Book Publishing also features a handy edge-marking index and is bound in an imitation leather green paper cover. An indispensable resource for chaplains and other ministers who care for the sick.

This book is more for an ordained priest than an extra-ordinary minister for Holy Communion to the sick. Cool to see the prayers and the rites the priest will use for Anointing the Sick. This book was before the Third Edition of the Roman Missal so the responses are outdated. It is a good book for greater insight into this ministry though, and I have used it. You just have to remember that the responses are not the current responses per the GIRM. Also, Anointing of the Sick is a Sacrament

that only a priest or bishop can administer.

This book works well when you visit a patient in the Hospital or at home. Eucharistic Ministers will have the proper prayers and readings for an uplifting visit that restores hope in the patient. My Favorite reading Hebrews 4:14 (the first paragraph) is included in this book and has great effect on my patients. I have discovered that other versions of Prayers for the Sick do not include this simple bible verse so I recommend this 1983 version of Pastoral Care. (T-156) This book is very helpful for Priests and lay ministers.

I am very happy with this purchase. The book is complete and concise, and easy to carry to hospitals, etcA must for all ministers to the sick.

Just part of the toolkit to serve and minister to the sick, the dying, and their loved ones. These books last forever, or until you lose them, as I did. Nice that they are still available.

I am a chaplain intern at the Penn State Hershey Medical Center in Hershey, PA. I find this book to be invaluable when I am called to the side of a Christian patient.

Good resource for pastoral care for the sick as a Catholic Minister. Prayers for lay ministers as well!

Much better quality than my old one.

Extremely helpful and easy to use. I use it for visits to people in the hospital and it is a wonderful tool to assist in caring for the sick.
