Dream Oracle Cards: A 53-Card Deck And Guidebook

Synopsis

Dream Cards are beautifully rendered cards featuring the art of world-renowned fusion artist Rassouli and best-selling author and dream expert Kelly Sullivan Walden. They're based on the 53 most common dream symbols among modern dreamers and filled with innovative and ageless wisdom. A powerful tool to assist everyone in tapping into their dreaming mind or subconscious (which scientists say comprises 88 percent of our capacity), these cards will interpret your life and fulfill your wildest dreams. They're valuable and fun for all, whether you're in the living room, bedroom, boardroom, or private sanctuary. Einstein attributed his theory of relativity to accessing his dreaming mind while awake, and Freud said that dreams are "the royal road to the subconscious." As Kelly says, "Dreams are love letters from home written in our first language—that of the soul—communicated in pictures, stories, and metaphors."

wonderful! bought these for a friend and she will absolutely love them!! the pictures are amazing and the guide book it comes with is a nice addition. i played with the cards for a bit to get a feel for them and i enjoyed them.

Love the deck, it made my rotation. Messages flow, cards speak to you without a problem.

beautiful

DO NOT waste your money. There are better dream oracle decks - I purchased this one thinking it was another I wanted. I was very disappointed. Messages and art work very much lacking in substance. I won't even put these in a yard sale.

Gorgeous oracle deck with beautifully written, powerful messages. If you like paying attention to and listening to your dreams, this tool will deepen your practice. Kelly Sullivan Walden's voice is

inspiring and infused with loving messages. I have worked with dreams for over 25 years and this is my favorite new addition.

Wonderful cards, beautifully done. The artist, Rassouli is my favorite mystical artist . Kelly Sullivan has done a wonderful job translating these by her subject titles and the meanings of the cards. You will not be disappointed in this deck. I also need to thank and give a 5 star rating to Prime . They delivered this almost overnight from their facility . Thank you Prime.

The book is too small for me. I need larger print. I am anxious to become more aware of my dream life and its meanings. The cards are very nice, graphics are beautiful, and the multiple use of the deck of cards are cool.

Very happy with this deck it has been very helpful not just for me but for others as well.
