Extremely wonderful book, I lost my original copy, and need to replace immediately. I love Louise, her thinking, her years of experience speak volumes about our health and so forth. I would like you to read for yourself and learn the ways in which she presents her knowledge.

Of all the self help books this is a must. Throughout the years I re-read this book and always come away with new wisdom.

I needed another copy for a friend. You look up your symptom and it shows possible things you may be doing to cause that dis-ease. Wonderfully handy!!Change your mind, the rest will follow!

Have given this book to my patients for over 15 years. It's life changing! Would highly recommend it to everyone!

Great self help book.
