Customer Reviews

I have read and thoroughly enjoyed the other books about cruise life as a crew member by this author. This book made me laugh out loud. As a veteran cruiser I have seen the passengers that he mentions in the book so it was even funnier because I could see the passengers who have a sense of entitlement and can never be happy. The author writes in sure a humorous way, you can't help but be entertained. A fun and affordable book, I recommend to anyone who has been on a cruise or is thinking of taking one.

I've read several books about cruise ships and this one is average. The stories have been told in

other books that I've read but it's a good quick read.

People who like to go on cruises should read this. I don't like cruises, and some of the stuff described - - - don't make me want to take a cruise for sure.

I JUST LOVED THIS HILARIOUS LITTLE BOOK ITS SO FUNNY. AND I ORDERED THREE MORE COPIES OF IT FOR GIFTS FOR BOYFRIEND WHO WORKS PRINCESS CRUISES AND MY TWO TRAVEL AGENT FRIENDS ITS JUST RIGHT FOR ALL OF THEM I THINK THEY WILL ALL LOVE IT. I DO GET AND READ IT.

Really enjoyed this book and easy, light, reading. I figured if I can't go on a cruise right now.....why not just read about it. :-)

They work on the ship. Their cruise experience is told in an interesting and humorous way.. it's a short enjoyable read.

Although a bit shorter in length than his other cruise ship books...this one is every bit as enjoyable and a great funny read! :)

I enjoyed this book. It really made me laugh at how silly "cones" like myself can be on a cruise.
