## Synopsis

We travel to grow. Our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise. Sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. The author is fascinated with these islands and her passion comes across in the text, which is lively, revealing and a pleasure to read. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and mountain climbing excursions. Travelers looking for a more relaxed vacation may want to sign up for dance lessons and take part in the local Carnival or join a local cycling club and tackle some of Aruba's most scenic areas - these cultural adventures will introduce you to the people and afford you a truly unique travel experience.

## Customer Reviews

Nice little pocket guide to the island.

Before traveling to Aruba and Curacao for our honeymoon I bought this guide, that has been quite helpful in planning the trip, as well as to execute it.
