# Magma Sketchbook: Fashion

## Synopsis

With reliable information (not readily or accurately available on the internet) these sketchbooks address the needs of contemporary practitioners, carefully treading that fine line between providing practical tools and information while not interfering with their creative freedom. They are also made entirely out of eco-friendly materials. Sketchbooks for the twenty-first century: for artists, illustrators, draughtsmen and anyone interested in the visual arts. Ideally suited for designers, graphic designers, illustrators, art directors and anyone working within the creative industries, or studying these disciplines, or simply interested in exploring his or her creativity. This updated sketchbook design features a unique tear-off cover that, when removed, exposes the resilient textured cover in a contrast colour.

## Book Information

Series: Magma Sketchbook

Paperback: 152 pages

Publisher: Laurence King Publishing; Ntb edition (October 5, 2011)

Language: English

ISBN-10: 1856699056

ISBN-13: 978-1856699051

Product Dimensions: 7.2 x 0.2 x 9.5 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #714,800 in Books (See Top 100 in Books) #122 in [Books > Arts & Photography > Drawing > Coloring Books for Grown-Ups > Fashion](#) #380 in [Books > Arts & Photography > Drawing > Coloring Books for Grown-Ups > Humorous](#) #17821 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies](#)

## Customer Reviews

I will start off with the outer appearance of the book: The color is a maroon-ish/burgundy, quite true to the thumbnail shown. The middle part however is a bright mint green instead of a pale mint green as shown in the thumbnail. This middle part is detachable. I find this middle part to get in my way a bit, because it keeps flipping out whenever I open the book. The book is comfortably sized and of ample thickness. However, I feel like the cover of the book is rather thin and flimsy, no doubt prone to tearing further down the road. Next, the interior: The interior is filled with faintly outlined figures of which you can "dress up". On one page there is 2 female figures and on the opposite facing page, 1

male figure. These pages are followed with about 4 blank pages for random sketching/doodling/note taking/whatever you please. I would've preferred if there were only female figures in the book but this is just a personal preference and isn't at all a set-back. At the very back of the book, there are a few pages with measurements and some information about different sorts of fabrics and colors, etc. There's also a cute little instruction manual on how to tie bow-ties, scarfs and togas. Overall, I would definitely recommend this book for anyone who is aspiring to be a fashion designer or for basically anyone interested in fashion. I feel some people present this book to be a bit intimidating to those with minimal ability to draw but are still interested in fashion/designing. I can barely draw but this book serves as good practice and practice makes perfect ;)
