# Vintage Women: Adult Coloring Book #5: Victorian Fashion Plates From The Late 1800s (Vintage Women: Adult Coloring Books) (Volume 5)

## Synopsis

This is not a typical coloring book! It features authentic vintage images that were drawn a century ago. Being fashionable in the late Victorian era meant wearing things like dresses with puffed sleeves and high collars, and making sure to have a proper hat and an elegant pair of gloves. And how did women stay current on the latest styles? Most of the time, they found out about the latest "up-to-date" and "charming" clothing trends from the newspaper. Between the covers of this book, you will find 47 coloring pages showing full-length fashion plates of tea gowns and walking dresses, evening costumes and dainty frocks that were popular in the United States during the late Victorian era -- specifically, 1895 to 1899. The definitive word on what to wear and how to wear it was delivered on the women's page of the Sunday paper, where every aspect of the attire -- color, cut, fabric and trim -- was thoroughly described and illustrated. Although the outfits within are all from a five-year span, the definition of "stylish" was constantly changing. Grand announcements about the current trends were regularly published in the papers under columns with titles like "Vanity's Whims," "Women and Their Ways" and "Fashion and Fancy." Now, take a look back to the Gilded Age, and give these clothes the color and verve they have been missing for more than a hundred years! Note: In keeping with the original designs, the pictures are often very intricate, and there are large areas of black on certain pages. We chose not to over-simplify the artwork because of the tremendous amount of detail (and personality) that would be lost in the process. ## Customer Reviews

This is the 3rd coloring book I purchased from the same author. I like almost all vintage fashion but the Victorian era is my favorite and this book doesn't disappoint. Can't wait to get started coloring...

My mom liked this. She is 88 years old and for some reason she colors all the time now, but I'm happy it keeps her busy. Her one complaint because her eyes are not too good any more was the faces were hard to color on the girls, so I think she would like a little larger book of women to color. So far I haven't seen them. She did like the costumes though. I'm sure she will color these as she goes through coloring books really quickly.

Very nice pictures on good quality paper.

This coloring book has too many black lines. You can't color it. Received a refund.

Very happy

It's hard to color or its not enough to color.

Beautiful designs of clothing
