Sweet book. Nice cover. The Calendar Pages are the perfect size for me to write my appointments down. It's light weight. I was surprised the cover is made of a firm type of paper product. I thought it would be some type of vinyl. I also love the date spread, just what I needed.

Love it. I only needed a monthly calendar, this was perfect to see the whole month at a time. I wish they had pockets in it, to slide in notes, paperwork, etc.

I am a teacher. I have had such a hard time finding a calendar planner with ONLY the months in it.

I like to plan out my school year by the week. I am so pleased with this calendar. It is exactly what I have been looking for. This will be a calendar that I order each year!!!

Self explanatory... monthly calendar with a cute design. All I needed. I love to be able to look at the month instead of each week.

Just what I needed and fits perfectly in my bag without being too bulky like the weekly/monthly planners
