Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are a homeschooling family, we have a piano, but I am a flute player. I don't read piano music. These songs are easy for me to play on my flute and we are learning piano chords together, so my

daughter can accompany. I also ordered 'How to Play Piano From a Fake Book', 'Alfreds Teach Yourself to Play Piano' stickers for the keys and a Chord Chart. I'm spending less money than formal lessons and my kids have a renewed love and desire to learn music as we dive into these beautiful songs that we've loved singing in church and on the radio. It really is just a lot of fun to play these songs, and they are really easy to play! Thank you!!!

This series of books is excellent! They are fine for a beginner, intermediate, or advanced student. You can take the basic arrangements and add to them as much as you like. The "C" keys add to the simplicity give a beginner a sense of "wow I did that!" Keep up the good work. I recommended this to my Organ Master and He liked ALL of the books in the series.

The book come when it said it would, and I enjoy it a lot. It was wrapped good. Thank you all for a good job.
