Running From The Sunrise

Synopsis

"A perverse respectfulness compelled the demon within to acknowledge at the very last possible moment that it was about to take a human life." Every time he sees a commercial on TV, Lloyd kills someone. His randomness has eluded the law and left a trail of broken lives in his wake. Marty Randolph, a PI who's always one step ahead, has just met the woman of his dreams. As their relationship goes deeper, Marty must reveal just how dangerous his job can really be. When Marty happens upon Lloyd in a routine background case, he has no idea the danger that has just been unleashed. A hard-boiled detective story on the beaches of Florida and Southern California, *Running From the Sunrise* is a story of love, fear, horror, and revenge. A thriller sure to leave you breathless from start to finish.
