## Synopsis

Terror by Rail is the compelling true story of a major catastrophic event: the Amtrak 188 accident on May 12, 2015. After the accident, Lynn Radice's journey and passion for answers caused her to ask questions about train safety and the bigger global issues that are challenges of the rail. A must read for anyone who travels, lives, or works near a rail system, Lynn Radice's Terror by Rail is a wakeup call. As the phrase goes: See Something Say Something, and Lynn is doing just that! A born connector as a recruiter, puts the puzzle pieces together, and readers are blown away by what could have been the headline for that day had the story gone just 50 feet differently. This story of a single mom's heartbreaking journey through hell and back will give everyone facing challenges in their life a bit of hope that nothing is permanent, and it is possible to come through the pain to the other side.
