My First Book Of Chakras

Synopsis

Two Sahaja Yogi parents were sitting on the front lawn outside the Borotin school one beautiful summer day, when one of the children whipped out a comic book to "tune out". Looking at this child immersed in Captain America, the father could not help commenting - "wish we had children's books on chakras and the deities that we could use to educate our children.. they spend too much time on comics!" The Universe must have been listening - one summer later, we now have the first chakra book helping young Yogis traverse the world from Mooladhara to Sahasrara, with illustrations lovingly composed by Yogi hands.
