Cotton Country Collection

Synopsis

The Cotton Country Collection is a classic among southern cookbooks. It has been listed by USA Today as one of the top five regional cookbooks in the United States. One of the most comprehensive cookbooks found anywhere, containing triple-tested recipes from Louisiana's legendary kitchens. Inducted into the McIlhenny Hall of Fame, an award given for book sales that exceed 100,000 copies.

Customer Reviews

One of the best cookbooks anywhere for just plain good food! I couldn't cook without it, or give a party without it. This copy was for a friend who is married to a New Orleanian and I felt she needed to learn to make Gumbo. I'm sitting here thinking of all the recipes my family asks me to make from this cookbook for special times and there are too many, but I must mention Manale's BBQ'd shrimp. I have given CCC to all family members who cook, and will now give to my five grandchildren. Maybe they'll do some of the cooking now!

I LOVE this cookbook. I gave it to my mom to replace the one she had because it was falling apart because she used it so much. I have this cookbook as well and mine is in better shape. I like the fact that this book is not spiral bound like the one I have and my mom had because the plastic spiral binding wore out over the years. This one is made much better.

My Mother was given this book when it was first published in 1976. We have used it for our holiday meals since. The original is a little stained and looking worn after all these years so I ordered 2 copies for my nieces this Christmas. They will be able to carry on our traditional holiday meals for years to come. I was happy to see its still available. If you love southern food this is one of the best cook books you could ever own.

This is the best cookbook I own and I have hundreds. I have bought many copies to give as gifts to former students and can easily attest to the favorite recipes. I have never found a bad one and I have tried most of them.

I bought this cookbook when it first came out 45 years ago. I wore it out and was glad to see that I could replace it on . I think it is well worth the price.

Classic Southern cookbook. There's nothing not to like-that's why it's been a classic for eons!!

I've bought 3 of these. One for myself and 2 for gifts. It's my "go to" cook book!

Great cookbook with really good recipes!
