

## Synopsis

Informed by on-the-ground research, Herb Lester's handy, folded guides uncover what makes a city special - its most distinctive shops, restaurants, caf  s, bars, museums and galleries, whether unmissable old favourites, exciting new arrivals or overlooked treasures. Each entry comes with its own brief description, and a basic map helps the reader get their bearings and make plans. The 50 entries show just some of what Glasgow has to offer, glorious parks, beautiful architecture, great food and drink, and a notably charming and friendly populace. Among the highlights: unchanged 1960s pub, The Doublet; art deco restaurant and oyster bar, Rogano; the excellent record shop, Monorail; and perhaps inevitably a fish and chip shop - albeit one with an opera-singing proprietor. Printed on a single sheet of 100% recycled paper, these light, portable guides are an ideal travelling companion.

## Customer Reviews

Herb Lester Associates publish guides for tourists and locals: witty, pretty, curious and opinionated. We research, write, print and distribute maps and guides to the world's great cities. We seek out the well-used and much-loved, and enjoy the extraordinary as well as the everyday. Old bookshops and new coffee shops, park benches and dive bars, hat shops and haberdashers: this is the world according to Herb Lester.

Too basic to be of any real use. You can get better information on line.
