ACRYLIC PAINTING

For Beginners - Master Acrylic Painting
Techniques In No Time

Synopsis

Acrylic Painting (FREE BONUS INCLUDED) For Beginners - Master Acrylic Painting Techniques In No Time! If you've never painted with acrylics before, don't worry. This book was written to give you all the information you need to properly use acrylic paints, and to enjoy it! I'll be teaching you the best ways to select the paint and materials you need, in order to enjoy your new foray into painting. You will learn about how acrylic paints are applied, and how much faster they dry than oil paints. I'll explain the various techniques used in acrylic painting. After you've dabbled in painting for a bit, you'll probably enjoy it! This book will also assist you in selecting and mixing acrylic colors, and show you how to shade colors in your paintings. You'll learn all the basics, including: What colors to use when mixing acrylics Choosing your paint Selecting brushes Acrylic painting techniques Painting with acrylics isn't as hard as you might believe. Learn the basics and you won't get lost in your painting. It's worth the time you take to learn about the techniques for painting with acrylics, and I'll give you the confidence you need to use them properly. Customer Reviews

This work is little more than a pamphlet. The writer could use it as the introduction to a proper guide for the beginner. I should have noticed the number of pages.

If you want to become acrylic painting master then this is the must read guide for you. It is easy and very comprehensive. You can learn acrylic painting with the help of this guide very fast.

This book is a bare bones basics book. I think there could have been much more information given and far more illustration on techniques and brush types but I guess that's what subsequent books are for...spend more money.

The book is very informative but did not go far enough in detail of method.

Total waste of money.

The information is correct but needs more detail. It's more an outline of painting techniques than a book. Worth a quick read from a beginner with Kindle Unlimited.
