PreSchool-Grade 1?It's now summertime for the hero of Froggy Gets Dressed (Viking, 1992). When an overzealous swing ride tosses him into a pond, his patient mother assures her terrified son that all frogs are great swimmers, and she teaches him how. He is still reluctant until he puts on his flippers, mask, and snorkel. Then he won't get out of the water?all night! Vivid watercolor cartoons add to the humor, showing the comical facial expressions and hilarious beachwear. Froggy's childlike dialogue and the sound words? "zook! zik!

Jonathan London is the creator of twenty-three books about lovable and endearingly popular Froggy. He is also a poet and a novelist. Jonathan and his wife live in Graton, California.

I love reading froggy stories to young kids. They love the sounds that froggy makes and the story line is easy to follow!

Great little book

Our family loves all the books in this series. We started with froggy gets dressed when my daughter was 2 and now she is 6. She was requesting more Froggy books. They are priced so good that we got her 6 more for her birthday and she loves them all!! Her dad and I enjoy reading them too! Great author and illustrations. Good for new readers too!

Love Froggy. Helped grandson put face in water and start swimming!

Great product, Granddaughter loved it...Thank you

Soooo love the Froggggggyyyyyy books.

Great book to start the kids into reading. If you kids don't get a solid foundation then it will be an uphill battle the rest of school for them. Invest into your kids by purchasing this book.

Eh, I was hoping for something a little more encouraging for my toddler as we prepared for our first swim lesson but it seemed like they had a good story going and then were told to add more. Strong beginning, weak finish.
