Kaffe Fassett's Quilts In Italy: 20 Designs From Rowan For Patchwork And Quilting

Synopsis

Che bella! Kaffe Fassett's inspiration for the 20 new quilts in this book was drawn from the exquisite, richly colored villages of Cinque Terre on the Italian Riviera. The region, with its terracotta walls and handsome black and white churches set off by jewel-like glimpses of the Mediterranean, is beautifully reflected in the colors and patterns created by Kaffe and his team of designers. The glorious array of designs featured in Kaffe Fassett's Quilts in Italy are all made using classic as well as new fabrics from the Kaffe Fassett Fabric Collection—subtle or bold, simple or complex, all of the designs come together with emblematic Kaffe Fassett flair. Choose from the delicious ice-cream colors and traditional piecing of Kaffe's own Lacy Log Cabin, the bold and contrasting colors and forms of Scaffold, the almost dizzying complexity of Chiaroscuro, with its four-in-one style piecing, and many more eye-catching designs. In addition to the gallery of quilts, the book provides detailed information on how to make each featured quilt, along with general practical patchwork and quilting information and a visual summary of Kaffe's latest fabrics.

San Francisco-born artist Kaffe Fassett is a name every quilter knows. His work has been commissioned by the British monarchy, American fashion designers, and the Royal Shakespeare Company. More than a decade ago, Fassett partnered with Rowan to create the Kaffe Fassett Collections, which debuts new fabrics each fall. He has written numerous quilt best-sellers including

Heritage Quilts, Kaffe Quilts Again, Kaffe Fassett: Dreaming in Color, an autobiography, and Kaffe Fassett's Quilt Romance.

This book arrived in perfect condition. It's a great book with a lot of beautiful pictures of coastal towns in Italy and I think around Mediterranean Sea. They matched the towns to the quilts or the quilts to the towns complementing both beautifully!

Like all my many Kaffe Fassett books I own this one is no exception it is awesome, wonderful and very beautiful quilts to make and admire!

What a beautiful book. I had the chance to attend a Kaffe Fassett class this Fall and got to see many of the quilts in the book in person. So lovely! If you quilt and appreciate bold and vibrant colors in your projects, then this is a must have book

Beautiful quilts, beautiful fabrics, can't wait to make every one of them.
