Customer Reviews

Amy knocks it out of the park again for this 2nd Gutsy Girls book on the ten Booms! I love that in such few words and accompanied with amazing illustrations, the reader, whether old or young, walks away fully understanding just how gutsy these ladies truly were. I am already counting down the months until the release of Book 3 this December!!!

Amy L. Sullivan has taken an amazing true story and written it for all young girls (& boys) to read. It's historical, heart breaking and inspiring for all those who read it. The beautiful illustrations pull you in. I highly recommend this book for all readers big and small!

Love this book. Amazing illustrations

Amy L Sullivan does it again finding a great way to introduce children and tweens to courageous women of high character. Corrie and Betsie ten Boom were faithful sisters who served a great God with deep humility during the Holocaust. This very short, easy read, will open discussions and pique interest in learning more!

Wonderful book 2 in a series by a talented author and illustrator. These books are such an encouragement for young girls (and maybe us older ones too!)

LOVE THIS!!!!

My daughter loves the Gutsy Girls books! I love them because it brings to life strong Christian women that I want her to emulate. I love the title of this series because it takes 'guts' to live out our faith with determination, courage, and spirit.

I like that it was longer; it made it very interesting!! loved it!! wish the third one is even longer!
