Let's Go Western Europe: The Student Travel Guide

Synopsis

You can't really go wrong in Western Europe. Every country has its own personality and its own trademarks; any beer hall you go to in Munich will probably be amazing and any ruins you visit in Rome will probably be breathtaking. Let's Go Western Europe doesn't need to tell you that the desserts are delicious in Austria; but we can tell you where to get the best ones, how much they'll cost, and whether to expect a surly or pretentious server. Plus, we do it all with our trademark wit and irreverence, so you'll never be bored. Let's Go Western Europe is ideal for any kind of traveler, whether you're whipping through London, Barcelona, and Bern in five days or spending a leisurely year abroad. Our extensive, up-to-date coverage is your resource for la cr me de la cr me of French cuisine, the most hedonistic islands in Greece, and the best skiing in Switzerland.

I just got back from traveling Europe alone and this book was a lifesaver. A few times I ended up in a new city without a clue where a decent hostel was and that's when I pulled out this book! Also, restaurant tips were my favorite (especially the 5 euro pizzas and pasta bowls in ROME)! I would recommend this book for a first time trip to Europe! It gives you a nice heads up, and is a perfect read on the train to a new city.

Fabulous Book for the independent traveler that likes to make plans and do things on your own.

There is a lot of great recommendations in this book. I don't leave home without it when I'm traveling.

She loved it and the rest of the people on her tour used it extensively. Sixteenth, Seventeenth, Eighteenth, Nineteenth word, Finally!

Great travel guide. Lots of really useful information, such as pricing ranges for food and accommodation etc. I was a little disappointed that smaller countries such as Luxembourg weren't mentioned at all.

This book is helping me plan out my trip to Europe. It has suggested things I'm going to need that I never even thought of. I hope it is as helpful when I'm traveling around.

I think this book is more than interesting cause I'm going to Europe next month and I have in it all I want. Do you need help about transport? The guide shows you. Are you lost about how to visit in, for example, London? Of course, the guide'll show you. I'm happy about this book.
