Customer Reviews

Exactly what I thought it would be! I got a new car and wanted to keep track of the maintenance. Good size for the glove box and now I don't have to use notebook paper!

Is what it is. Started a log of activity when i bought my new used vehicle and i plan on keeping track of my expenses and work put into it. Worth while for the micromanaging kind of person. I like it, it works for me.

Wonderful little book for car oil filter and other things

Just what I was looking for

there are enough pages to last for a life time of cars. very well laid out, glad i got 2. [1 for each car]

Very nice book. Will come in handy for our auto maintenance etc. as a quick reference.
