The Pleasure Zone (Zane Presents)

Synopsis

Leave your sexual inhibitions behind as you step through the doors of The Pleasure Zone—where fantasy becomes reality and forbidden desires are embraced—for one steamy, unforgettable night. Blessed with wealth, exquisite beauty, and an insatiable sex drive, Nairobi lives for sinfully delicious orgasmic pleasure. The luscious gray-eyed, half-Dutch, half-Nigerian vixen is every man's and woman's fantasy. She has spent her life traveling the most extravagant locales in the world hosting exclusive invite-only sex parties. Now she's decided to open an ultra chic, upscale sex club where decadence and hedonistic desires unfold under one lavish roof. At the Pleasure Zone, every illicit fantasy you can imagine is indulged. Clientele abandon themselves to their sexual cravings, allowing a game of heated passion and explosive sexual chemistry to become the ultimate pleasure. And what's done behind closed doors stays behind closed doors. But what happens when the queen of seduction is seduced by a tall, dark, dreamy-eyed hunk who wants more than what's between her smooth, silky thighs? Will she give into his advances? Or will arousal and carnal temptation overrule the aching in her heart for a love she never knew she longed for?

Customer Reviews

Cairo is the author of The Pleasure Zone; Dirty Heat; Between the Sheets; Ruthless: Deep Throat Diva 3; Retribution: Deep Throat Diva 2; Slippery When Wet; The Stud Palace; Big Booty; Man Swappers; Kitty-Kitty, Bang-Bang; Deep Throat Diva; Daddy Long Stroke; The Man Handler; and

The Kat Trap. His travels to Egypt are what inspired his pen name.

Cairo did it again brought out that HEAT!! The Pleasure Zone was wild and imaginative. Nairobi, Pleasure, is a every man and some women's dream...yet, she's missing something - Love.And the ooh so sexy, Marcel Kennedy wants her. After losing his beloved Marika he was lost and Nairobi awakened him; showed him that he can love again but she won't let him. She's determined to do her on her terms which means having a man when she so desires and baby she did just that...the young and impressionable Josiah, the thug and her protector - Lamar, the irresistible - Marcel and this new chocolate drop - Coal. Her sexcapades will leave you wanting to seek out and ride down on a hard body!!But I'd love to see Nairobi and Marcel with their freaky selves be a couple. A couple that plays together. Can't wait to see what Cairo brings next with these two and how the story ends for the rest because Coal, I don't trust! Hmmm

This is Cairo's first book written in third person and I must say this happens to be his most sexiest read yet. In my opinion of course.His main character Nairobi was the definition of sexy and sexual. Nairobi is a retired porn star who decided to open up an upscale private club for the uninhibited.Nairobi is always in control when it comes her sex life, but when she comes face to face with a familiar face while promoting her club, things start to change up a bit.Marcel couldn't get his mind off Nairobi after she left from promoting her night club. He was still mourning the death of his wife Marika, but seeing Nairobi brought memories back. Nairobi actually loved Marika but she felt didn't feel right getting in with Marcel without her.Marika wasn't ready for what Marcel wanted but he wouldn't back down. He knew Nairobi would be the only woman for him other than his wife. She knew how he got down and understood him sexually.Get your copy of he pleasure zone to find out if Nairobi let her guard down or did she leave Marcel hanging.

This book is EVERYTHING!! I was seriously sad when it ended. Cairo once again weaves an enticing story with his usual raunchy, erotica style that I have loved since day one. The book follows Nairobi Jansen whom we first met in Between The Sheets (which you should also pick up). Hers is a world of sex and power but she didn't come off as a character that I loved to hate. Instead, I found myself wanting to sit on the sidelines and watch all of her sexual exploits. Appearances from past characters made it an even more interesting read. Once again, an excellent novel written by an excellent author!!

Omgosh this book was off the chain Nairobi was not afraid to show out this is one of many books I have from Cairo keep up the nastiness and you will have a fan for life

I love all of Cairo's books he is my favorite author

This book will definitely leave you wanting nothing but more.! T

I didnt like the way it ended. But as always Cairo is an awesome author!!!

Hot, sexy, spicy - pure Cairo
