# Lonely Planet Germany (Travel Guide)

## Synopsis

Lonely Planet: The world's leading travel guide publisher Lonely Planet Germany is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. See storybook castles arise from the Bavarian forest, raise a stein to an oompah band in a Munich beer garden, and take in the vibrant Berlin arts scene; all with your trusted travel companion. Get to the heart of Germany and begin your journey now! Inside Lonely Planet Germany Travel Guide: Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - including history, art, literature, cinema, theatre, music, architecture, landscapes, wildlife, cuisine, drink, and more Free, convenient pull-out Berlin map (included in print version), plus over 98 local maps Covers Hamburg, Saxony, Bremen, Cologne, Rhineland, Berlin, Frankfurt, Stuttgart, Black Forest, Bavaria, Munich, Central Germany, and more The Perfect Choice: Lonely Planet Germany, our most comprehensive guide to Germany, is perfect for both exploring top sights and taking roads less travelled. Looking for just the highlights of Germany? Check out Lonely Planet Discover Germany, a photo-rich guide to the country's most popular attractions. Looking for a guide focused on Berlin or Munich? Check out our Lonely Planet Berlin guide or Lonely Planet Munich, Bavaria & the Black Forest guide for a comprehensive look at all these cities have to offer, or Pocket Berlin, a handy-sized guide focused on the can't-miss sights for a quick trip. Authors: Written and researched by Lonely Planet. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Average Customer Review: 4.0 out of 5 stars 20 customer reviews

Best Sellers Rank: #54,239 in Books (See Top 100 in Books) #6 in [Books > Travel > Canada > Provinces > Quebec](#) #14 in [Books > Travel > Europe > Germany](#) #114 in [Books > Travel > Europe > General](#)

## Customer Reviews

I picked up the Kindle version of this guide before a 2 week trip to Munich. It was quite useful in planning day trips and learning some more background, culture and history. Lonely Planet are up to their usual high standards. I missed the ability to flip through the book and found maps harder to use on the Kindle, despite the weight I think the print version would have been a better choice.

It's very rare for me to return books but I felt this guide was wholly inadequate. The sample itineraries were few and not varied enough considering the broad audience Lonely Planet has. Also the information for first-time travelers to Germany was pretty basic -- could have been talking about any Western European country. But I guess what ultimately killed it for me was the Kindle version rendered so poorly on the Kindle app and also on the browser reader that ultimately I just ordered another guide book and returned this one.

A personal must have for scouting out a country/city before travel. Sure internet information is more timely but I like the feel of a book in my hand and the reminder of trips past looking at the spines of the book on my travel shelf.

Heard lots of good reviews about Lonely Planet series. My first try. Lots of information and very comprehensive. But not good for my needs. I'd prefer guides to be more selective, with color photos, drawings, and maps. DK Eyewitness Travel Guide series remains my favorite.

Very useful for first time traveler to Germany. Has a lot of maps and travel tips. We looked at multiple books but this was the one we referred to the most. It has a lot of information but is compact enough to carry with you.

Good guide, but I'm thinking it might be a bit on the high priced side for what you get, since almost everything can be found online and there are cheaper guides out there.

Disappointed with this edition. Very few photos and it doesn't seem as user friendly as the Italy lonely planet I bought last.

Wonderful book, incredibly helpful in navigating the country on my own. Is helpfully supplemented with some online research, but if you just stuck with this book you'd be fine. Enjoyed the history and culture sections, helped me to better appreciate the trip, and while I thought it emphasized big art museums a bit much (that is world class art not specifically relating to Germany) it was a fantastic guide to Germany. Well worth the purchase.
