So funny I loved I would even read this if I didn't know pokemon. Best pokemon joke book I have seen! Just so funny. Well written and well formatted for Kindle. Sure to be a hit with any children that think farting is funny. Which is most. I would recommend because laughing is great medicine and this surly is a heavy dose for kids. I know my kids liked this one. It is all about farting

but in a nice and polite way. Pokemon for kids are really fun and interesting. I recommend it to pokemon fans.

I love Pokemon so much. I watch it on TV most of the time. I have some toys, too. Now I can have something to read. This is very interesting. I have been thinking about this ever since. Not everyone knows how we see as them as our stress relievers. I don't believe I'm too old for this. I really had fun reading this book. It made me laugh like crazy as well.

I got this for my nephew and indeed he had so much fun reading it. I heard a lot about Pokemon but I just learned that it's that cute little cartoon character that's fun and full of adventure. My nephew's smile reaches his ears every time he reads this one. So I am giving this book a thumbs up in behalf of him. Nice and funny. A recommendable one.

I am a big fun of pokemon. I never miss an episode, sometimes I wake up too early on weekends to watch pokemon over and over again. And this memes are really so cool and funny. After reading this pokemon memes, I just realized how I miss my childhood a lot. I miss the days when I got to bond with my cousins playing pokemon stuffs. And I miss charmander, my pokemon.

Memes are very much popular right now and this one makes me really happy today! Each memes were really funny and I find them very much entertaining. For me this is an easy read. No pressures. All happy moments! I was so happy that I got the chance to read it. A great one. Thanks Pokemon! You rock!

Very funny and humorous, if you're a Pokemon fan I would highly recommend this book. Even though it wasn't arranged nicely but the memes were pretty legit. It's amusing seeing so many memes on one book. I don't really know much about Pokemon but I learned a lot because it had information and facts
