In the follow-up to the successful *Complete Feltmaking*, Gillian draws on inspiration from the carnival atmosphere, featuring a diverse range of twenty-six brilliant felt accessories and home items, like:- a plush rose-trimmed evening bag- a luxurious cowl-like scarf featuring a stunning swirling floral design- a luminous eight-panel lampshade in a medley of patterns, accented with felted flowers and ribbons- a heavenly nuno-felted heart-shaped cushion- a dazzling tropical-inspired knitting needle case- variegated vintage-style plant baskets decorated with either a floral or oceanic pattern- a sweet and adorable strawberry deerstalker hat for baby. Additionally, *Carnival of Feltmaking* contains an overview of equipment and materials, plus step-by-step breakdowns with close-up photographs of all the major techniques used in the book, including wet felting, 3D felting, needle felting, fine cobweb felting, and more. The exuberant projects in this book showcase Gillian's vibrant style and creativity, making this is an excellent resource for both newcomers and more-experienced fiber crafters looking for exciting inspiration.

## Customer Reviews

GILLIAN HARRIS is the author of the bestselling *Complete Feltmaking*. Her new range of feltmaking kits are sold at Liberty, Hobbycraft, and other independent retailers in the UK and soon will be available in the U.S. Gillian teaches feltmaking, knitting, and crochet courses at her shop in Dorking in the U.K. She lives in England.

This book is so inspirational! If I never intended to do any felting I would still enjoy looking at this book. The projects are so appealing and colorful. I haven't tried felting yet and even if I never do I am glad I got this book. I got my sister a copy of it for Christmas as well as some roving and a few other felting supplies. Maybe with the inspiration we get from this book we can learn together. I think this book is a great buy and well worth having in a craft library.

It's an interesting book. The instructions were good, but no pictures to help along the way. There are cute projects in the book.

Great info.

Lovely book with lots of ideas projects, details and directions. Great quality and great condition.  
Thanks Again!

I can't wait until I get all my felt together to start my crafts.

Very helpful info about making felt for various projects

Neat ideas and very easy.

Gillian Harris book on felt flowers was a five star book because it combined techniques along with the projects. This book had a lot of ideas, not so much techniques. I would recommend reading it first before buying.
