"The Grinch hated Christmas! The whole Christmas season! / Now, please don't ask why. No one quite knows the reason." Dr. Seuss's small-hearted Grinch ranks right up there with Scrooge when it comes to the crankiest, scowling holiday grumps of all time. For 53 years, the Grinch has lived in a cave on the side of a mountain, looming above the Whos in Whoville. The noisy holiday

preparations and infernal singing of the happy little citizens below annoy him to no end. The Grinch decides this frivolous merriment must stop. His "wonderful, awful" idea is to don a Santa outfit, strap heavy antlers on his poor, quivering dog Max, construct a makeshift sleigh, head down to Whoville, and strip the chafingly cheerful Whos of their Yuletide glee once and for all. Looking quite out of place and very disturbing in his makeshift Santa get-up, the Grinch slithers down chimneys with empty bags and stealing the Whos' presents, their food, even the logs from their humble Who-fires. He takes the ramshackle sleigh to Mt. Crumpit to dump it and waits to hear the sobs of the Whos when they wake up and discover the trappings of Christmas have disappeared. Imagine the Whos' dismay when they discover the evil-doings of Grinch in his anti-Santa guise. But what is that sound? It's not sobbing, but singing! Children simultaneously adore and fear this triumphant, twisted Seussian testimonial to the undaunted cheerfulness of the Whos, the transcendent nature of joy, and of course, the growth potential of a heart that's two sizes too small. This holiday classic is perfect for reading aloud to your favorite little Whos. (Ages 4 to 8) --This text refers to the Paperback edition.

"[Dr. Seuss] has...instilled a lifelong love of books, learning and reading [in children]" - The Telegraph "Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses" - The Express "The magic of Dr. Seuss, with his hilarious rhymes, belongs on the family bookshelf" - Sunday Times Magazine "The author... has filled many a childhood with unforgettable characters, stunning illustrations, and of course, glorious rhyme" - The Guardian "Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses." - The Express --This text refers to the Paperback edition.

Readers will be swept along by Dr. Seuss's ebullient rhymes and the weirdly zany pictures until they are limp with relief when the Grinch reforms and, like the latter, mellow with good feelings. Even if one prefers Dr. Seuss in a purely antic mood, one must admit that if there's a moral about Christmas to be pointed out, no one but Seuss can do it more gaily.

I bought this book as a Christmas present for my 4-year old great-niece. She is reading now, and this book is perfect for her to read to her parents (with some help on the words that are not standard English, such as "Whoville"). It's the classic Dr. Seuss story presented in a high-quality hardback book, so you can't go wrong when buying it for little ones who will be able to keep it their entire life and perhaps even pass it along to future generations. I highly recommend!

I've always loved "The Grinch" growing up, so I had to get this for my kiddos this Christmas. I haven't given it to them yet, and I won't be til the night before christmas as their "night before christmas box", but I flipped through the pages already. The book has that nice crisp new book feel where it's almost hard to turn the pages because of how tight the binding is, but I love that. It arrived clean and no scratches or anything on the cover which is always nice!

I loved this story growing up. Dr. Seuss is STILL my favorite author and I enjoy reading the books to my 3 year old son. This classic story tells of a grouchy "Grinch" who hates Christmas and what he perceives it to be all about. In the end, he has a change of heart. The rhymes are catchy, the art is beautifully done and the message it sends to readers young and old will be remembered!! ordered this with 2 day shipping and it arrived the very next afternoon, too so kudos to the seller!

It warms your heart if you believe in Christmas. One of the best books you can get for your kids. I've been reading this book to my little ones (both toddlers) at least 100 times, they always love the story.

Well, I don't even know how to review this. It is a classic. The binding and quality of the book are awesome! Our son read it to our daughter on Christmas Eve. This is a favorite of mine even above the night before Christmas and it will be kept out all year long as a story to remember to appreciate life and not be too dependent on the fleeting "things." Love it!

I ordered this book to read give to my child on Christmas Eve. The actual size of the book is a little larger than other Dr. Seuss books I have but I like the larger size. It is actually the same size as "The Lorax" which I also bought on but larger than the other 10 or so Dr. Seuss books that my kids have. We really enjoyed reading this book together on Christmas Eve. This is fun story with a good message and great illustrations. My kids were engaged and enjoyed this book. It would also be good for young readers to read themselves. I would definitely recommend this book. It would also make a great gift for a child.

Very nice book. Bigger than expected. Excellent quality. Perfect gift for a child or anyone who likes dr Seuss
