Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." • Chicago Tribune "The best option | Color photos, maps, and diagrams bring the place to life." • The Philadelphia Inquirer

No better travel guide than a DK Eyewitness Guide. Great supplement for my memorable journey through that wonderful country.

The DK Witness Travel Guide for Croatia joins five others I have purchased is the best travel guide available. I have recommended DK to my traveling friends.

It's a good guide book but I prefer Fodor's guide.

Best pictures ever, good quality information. I felt lack of report about the beaches, but the cultural inquiry is magnificent. I strongly recommend this guide.

Great information

Gave to a friend traveling to Croatia she's in love with it

Even more useful than the Lonely Planet Guide. More quality detail on history, art and photos. This is my 2nd DK guide. Purchased one from 2 years ago for Sicily and I liked that tremendously too.

Good stuff
