

Synopsis

Even before the 2002 Olympics, Salt Lake city was known for world-class skiing, a famous film festival at Sundance, the renowned Mormon Tabernacle Choir, and picture-perfect red rock canyons within short driving distance of downtown. In other words, Salt Lake City has everything including one of the world's best-kept secrets. Want in on it? OK. The skiing is a bargain. So are the accommodations and the down-home cooking. Where else can you get a piece of rhubarb pie for \$1.75 except at the Lion House? It gets better. Mormon Tabernacle Choir concerts are free, as are many of the museums, historical tours, and trolley rides. When this city puts its hand out, it's offering a friendly shake. Nothing more. Nothing less. Now that you're in on the secret, let THIS BOOK be your guide to a fun-filled experience that's as easy as passing the pie.

KAREN FOULK is Salt Lake City's authority on fun. Ask her four kids or her neighbors. She's practically dedicated her life to the belief that fun is not frivolous . . . IT'S FUN!

There are some neat things to do and see in Salt Lake that we never even knew about. One place we loved was "Gardener's Village" It had a great restaurant to eat at, wonderful food, down-home cooking. It also had the history of the first water wheel there, it was neat to read about it and to see the water wheel. Fun shops to go through, a wonderful quilt shop with some great deals!! We can't wait to go back and try some other places mentioned in the book.

Some restaurant information outdated. One major attraction, The Hansen Planetarium no longer exists and the address is wrong. Planetarium has changed names and moved
