I am a type A, firstborn, do-it-all, perfectionistic mom of 4 who has been striving to prove myself my whole life. Actually, I should say I USED to be that  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a} \infty$  until about 5 years ago when I started having some health struggles in my life and could no longer do it all, much less do any it even remotely perfectly. I say this so you know that I know EXACTLY what it  $\hat{A}f\hat{A}\phi\hat{A}\hat{a}$ ,  $\hat{A}\hat{a}_{\mu}\phi$ s like to be on both sides of the coin. So hear me when I say  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} - \tilde{A}\hat{A}$  if you are feeling frazzled from striving so hard, from feeling like you need to prove your worth to others, from feeling like you $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{,\phi}$  dre sinking or drowning beneath the weight you carry  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{A}|YOU|$ NEED TO READ THIS BOOK. The author  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}_{\mu}\phi$ s style of writing is transparent enough you feel she is a friend who loves you enough to tell you like it is. She shares her own struggles and fears. She understands. I felt like she $\tilde{A}f\hat{A}\phi\hat{A}$   $\hat{a}$   $\neg\hat{A}$   $\hat{a}_{\mu}\phi$ d camped out in my head the last 5 years. and then written a book about what all was going on in there. I especially enjoyed the sections she would write from the perspective of someone in the Bible, ex: the bride at the wedding in John 2, the Samaritan woman at the well in John 4. Also, there are guestions at the end of each chapter to help you reflect and process what she talked about and how it relates to your own life and struggles. If you think you  $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a} \neg \tilde{A}$   $\hat{a}$ , cre too busy to read this book, my guess is you probably REALLY need to read this book. There  $\tilde{A}f\hat{A}\phi\tilde{A}\hat{a}$ ,  $\neg\tilde{A}\hat{a}_{\mu}\phi$ s more to life than a to-do list, friend!! was given an advanced reader copy in exchange for my honest opinion.

Book is absolutely excellent. Jennie really speaks to where I am in my life right now. She's good at speaking to all life stages and groups. The product arrived looking great. My only complaint is that even though I ordered two copies at once, one of them is printed just fine, and the other one is missing the chapter numbers on the first page of chapters 7 and 8! The dot is there, but there are no numbers in them.

"Nothing to Prove"-Perfect timing! How many of us walk around with our heads held low and hearts weighed down with feelings of inferiority, rejection, inadequacy? The enemy of our soul whispers accusation after accusation (You're not a good mom, you dont deserve that, God doesn't really love you, etc.) While Jennie reminded me that I will never attain perfection on my own-spoiler- she declares that Jesus Christ is MORE than enough for me! His grace is sufficient. His strength is perfected in my weakness. It's His love that fills my empty dry and broken places. You will NOT be disappointed. You will be able to see where you have stopped placing your hope in Christ...and leave encouraged that God is able to meet that need too! You no longer have to prove yourself to

#### anyone!

Nothing To Prove is a wonderfully written, helpful, refreshing book. One that I will go back to again and again, especially when I fall back into thinking I have to earn God's love and prove that I am worthy. This book pokes a huge hole in THAT balloon! What a relief!

"We live in a fallen broken world. The goal is not that we make sense of suffering because we can't. The goal is that we wouldn't fear suffering. His word has become my hope. Heaven has become my home." Jennie Allen, Nothing to Prove.I cannot recommend this book more - Jennie's words are an absolute treasure. This book will challenge you, will draw you closer to Jesus, and will comfort you on your journey. No more pretending!

Tired of not measuring up? Tired of comparing and competing with the women in your life? Tired of striving? Tired of trying to measure up? Then this book is for you! I love Jennie Allen, love listening to her talk, have read her books, but this book, man, this book is so great. I've bought five copies to give away because I think everyone needs to hear the message that we don't have to continue trying to measure of, because God is enough. Jennie is honest and real in this book, and she shares her life stories with us so that we can be freed from believing we have to do it all. Seriously get this book. It is life changing.

I love every single one of jennie Allen's books, but I believe this one has been my favorite. I love jennie because she is real. She preaches and teaches from an authentic heart. I can't wait to do this book study with my church ladies when it is available. It is refreshing to hear, in a world where we are forever striving, that we are not enough and that it's Ok. God is enough and he has us covered. We don't have anything to prove because he has already done it all for us. The chapter on numbing out was my favorite. It's like she was seeing right into my life, into my heart. Like it was written just for me. I was blessed to be able to get an advanced copy of this book and I will absolutely be buying it and sharing it with others. I have already purchased 2 more1

Insightful and compassionate, this book cuts to the core. It'd driving me to think (and feel!) deeply about where my heart is and what I'm really chasing after. Jennie does a wonderful job of showing us how we can leave God aside in the supposed pursuit of Him, while He waits for us to stop running and let Him draw us to His heart, where we are truly seen.
