Watercolorist Jane Seabrook's next FURRY LOGIC book presents a new menagerie of adorable animals paired with humorous sayings, guaranteed to coax a smile from even the grumpiest cynic. Features 30 exquisitely detailed full-color paintings of lemurs, pandas, pelicans, and more.

JANE SEABROOK is a designer and illustrator who, in recent years, has focused on paintings of wildlife. She lives in Auckland, New Zealand, with her husband, two teenage children, and four cats--three adorable seal-point Birmans named Fizz, Bean, and Maisie, and one elderly British blue named Philby.

Funny, true, wonderful drawings. Great gift for animal lover, warm souls, lovers of true sayings presented in a solid, true manner!

Sent this book to my grandson for a birthday.....the child LOVES the book as I did..Thankyou Jane Seabrook...

This book is charming & funny on every level. Jane Seabrook is an amazing artist who manages to depict the animals accurately while putting great expression on their faces to go with her witty captions. As an added bonus, she identifies each animal in the back of the book. I have several of these little books & love looking at them over & over. She did one using cats & I wish she'd do one for dogs! Oh my, don't miss out on ANY of Jane's Furry Logic books. I sent one to a 16 yr. old friend who had a concussion and has been out of regular school for 6 mos. She wrote me "thank you" and said she LOVES this book! I've also given the one on Parenting and it's hilarious. These make the absolute GREATEST GIFT!

With a picture and just a few words the author manages to convey some of our deepest thoughts and feelings. Not a children's book despite charming covers but children would probably enjoy and "get it" too.

These books by Jane Seabrook are simply marvelous. I have enjoyed them so much that I've gone back and ordered more to have on hand to give to friends on special occasions. The first book of hers that I'd gotten was Furry Logic: Little Challenges. Even more fantastic. Really "spoke to me".

great--just what I ask for

I now own the entire collection and I even bought some as Christmas gifts. As we read them, I tell my husband this is you or this sounds like me. For example, 2 tree frogs sitting together [beautiful art work]"Of course we are friends---you know I would share my last piece of trouble with you."Or a Rockhopper penguin..."Life can be very deep, but I try to stay at the shallow end.Jane Seabrook does all the art work and it is amazing
