Coercing the Fairy He'd wished for her and, due to what she'd done the night before, she had no choice but to let him have her. Trissa, a naive and pure fairy from fairy hollow, wanted nothing in her life but to become the best wish granting fairy that they'd ever had. While others her age were preoccupied with coupling together and sneaking off, she was determined to use her mind instead of her remarkable body to get things done. Unfortunately for the innocent fairy a series of unfortunate spells and wishes go awry, causing her to cast a spell on herself that will force her to give everyone she interacts with within the next 24 hours exactly what they wish for, no matter what. At first this seems like a wonderful plan, but once the blonde fairy runs into a man whose only wish is to be with her intimately, she realizes she has no choice but to comply to his demands. After all, his wish is her command, no matter how naughty it is. Read this explicit historical fairy tale erotica to find out more.

Taking Princess Jasmine "Pure | sweet | this is going to be better than I imagined," Jafar stated simply, flicking his tongue against her cheek before she reeled again, trying to crawl away. When Princess Jasmine finds herself at the wrong end of a cruel lie by the one she thought she loved her distress and emotions get the better of her. In her distracted and weakened state the cruel Jafar takes the pure and innocent princess to a secluded place so he can have her all to himself--however he pleases. Will her passion get the better of her and lead her to the rebound that never should have been, despite the savage restraints and chains he's placed upon her? Will his sadistic charm somehow win over the girl, despite all odds? Read this explicit historical fairy tale erotica to find out more.

Mermaid Sirens "Now we use them, silly. They're more than willing. Dip your fin in one of the pools of rain water in a divot and get your legs, then climb aboard and have the time of your life." Raya was as innocent and pure as mermaids went: she almost never caused trouble, didn't fraternize, and kept all of her unspeakable desires to herself... until her troublemaking friend Tessa tells her wild takes of pleasure that can happen once you reach the surface, causing her to fall down a rabbit hole of lust and desire. Once she gets her first taste of it, Raya can't help but want more. Once she starts following her merfriend's influence she can't stop herself, and before long the pair use their siren song of lust to cause a nearby pirate ship to crash into a foggy disaster. Naive Raya thinks that's all Tessa has in store for them, but soon she realizes that that's only the beginning of how Tessa likes to use her

siren abilities on the local humans... will she continue to follow her friends lead, losing her purity and innocent completely in an unprotected rendezvous with a strange pirated sailor? Read this explicit historical fairy tale erotica to find out more. Beauty and the Sleaze 1 & 2! “You’ve always been mine,” Gaston growled as he tore at her dress, still, ripping at the fabric until it came apart at the seams.
