Reliable, readable Rough Guides Conde Nast Traveller

Easy to use, well written and organized. I am delighted to have this 'book'. Tablet edition is easy to use and totally handy.

Many parts of this were inaccurate (posting in 2016).

Very helpful

Loved It!

for another trip

This book had great descriptions and a lot of detail throughout the country that were utilized as we traveled by car. There are a few different books and enjoyed using all of them because each one seems a little bit better in one area than the other.
