Acadia National Park Pocket Guide (Falcon Pocket Guides Series)

Synopsis

National Park Pocket Guides – FalconGuides' National Park Pocket Guides are like no other books on the market. These pocket-size, four-color guides are designed specifically for the 270 million annual park visitors who go to bond with their families, participate in outdoor activities, explore nature, or just get away from the hustle and bustle of city life. Each pocket guide is an introduction to the key things a visitor should know about the park; provides details on park-specific activities; and is chock-full of tips and information to help make sure each visit is safe and fun - whether it's camping, hiking, climbing, or just taking a moment to stop and smell the wildflowers. What makes these books different from what's on shelves now? Full-color, pocket-size package featuring two, cutting-edge PopOut Maps. Content designed specifically for the national park visitor: A primer to the park as well as travel information that will help visitors not only get the most out of outdoor sites and activities, but will help travelers navigate the areas outside the park. The photography, maps, and information make this a great resource for visitors as well as a wonderful souvenir.

Worked Great, fit nicely in the pocket of my cargo shorts and I was able use it easily on the fly as well as sit down and plan next days adventures.

Great map!

There are maps and descriptions of Acadia National Park that will help the traveler and hiker enjoy the park. It holds up very well with the durable binding.

we ended up purchasing 4 guide books but this is the one we went back to over and over - left the other 3 at the B&B
