The Barf Diet: Raw Feeding For Dogs And Cats Using Evolutionary Principles

Synopsis

Just say NO to grains Feed your dogs and cats the way Mother Nature intended by eliminating grains and feeding them a BARF, Biologically Appropriate Raw Food, diet. Australian veterinarian, Dr. Ian Billinghurst, long-time champion and international lecturer on the benefits and how-to of feeding raw foods to pets, explains in simple, understandable terms why and how to feed your animals for optimum health. Learn how to create simple, home-prepared meals that mimic the diet of your pets wild ancestors. You will no longer have to rely on mass-produced, often grain-based commercial foods that can compromise your pet s energy, health, even longevity. Be inspired by the successes of pet owners, breeders and trainers who feed the BARF diet and report their animals have better energy levels, normalized weight, improved dental health, elimination of skin and ear problems, even overcoming diabetes and improving behavior. Feeding the BARF diet has been updated in 2016 Understand the science behind BARF feeding Learn about the wide-ranging benefits raw-feeders have experienced Follow the easy steps to get started as well as maintain a BARF diet Get answers to dozens of common and uncommon questions that arise when feeding raw Covers raw feeding for both dogs and cats

Customer Reviews

Dr. Ian Billinghurst has a diverse educational background and a varied professional career including that of Nutritionist, Agricultural Scientist, Veterinary Surgeon, Author, Lecturer, Nutritional Consultant and Acupuncturist. His first book on raw feeding, Give Your Dog a Bone, was published

in 1993 and has sold more than 100,000 copies. His second book, *Grow Your Pups With Bones*, was written to meet the needs of breeders. This is his third book. He lives with his wife and pet family in Australia.

A must have for every dog owner

This book gives the whole ideas and understanding about BARF diet and how to feed your dogs and cats properly. A must read book for every BARFers!!

Wonderful information!

As I prepare for a new puppy that I plan to feed a raw diet to.....this books will keep me and Flare out of trouble

great information

Great information. Too bad its so expensive, however it is loaded with all the information one could want on understanding and maintaining the diet.

This was purchased for my dog, who at the time was less than 1 yr. old. One night he had a seizure and my gut instinct was his food was to blame. I've been feeding him on the "bones and raw food" diet almost exclusively ever since. Good info presented well and easy to understand.

I'm trying it on my Bengal kitten and will let you know how it goes.
