Customer Reviews

Of course, all NIV Bibles contain the same words, but I bought this one because it has Christ's words in red print. However, throughout the book there are graphic "designs" which are, to me, distracting and just not to my liking. A little art nouveau for me. I prefer the style of the Quest Study

Bible (it just doesn't have the red words).

this is the best Bible you can ever find for kids. Even for adults that are just starting to read the Bible, they put a lot of information on the side to understand what the book is about, who wrote it, the time and the meaning at that time and the meaning now, it's incredible helpful. The layout is very original. easy to locate, it offers prayers all through out hte Bible about the subject the book of the Bible that you are reading. it is realy fabulous! I'm very grateful to own this Bible, because we can read it with my daughters and we all can understand it!

Best Bible thus far. For beginners it really helps to tell stories within God's word. I also, love how you can purchase separate Books of the Bible for easy carry.

Love reading the Bible, the Jesus Bible is well informative and great for learning God's word.

As described! Fast shipping.

I have all kinds of Bibles, Holy Bible, New King James Version, (NKJV), Life Application Study Bible NIV , New age Bible. I have not been able to get past the first few pages, the first week I read all of Matthew, started on Mark and Genesis. It is the best Bible I own. I would give it 10 stars. This bible is not just for kids. I love everything about it.
