The Promises for You Coloring Devotional is a new coloring devotional from Faithgirlz. It is a hardcover book with some foil accents on the cover to add a little extra pizzazz. The pages in the Promises for You Coloring Devotional are a nice, thick weight - cardstock, basically. The weight of the pages will be an advantage for certain coloring mediums. The Promises for You Coloring Devotional contains 60 devotionals in total, with 12 each according to certain promise topics. The topics are:- Promises of Strength, Courage, and Hope- Promises of Forgiveness, Comfort, and Safety- Promises of Truth, Wisdom, and Beauty- Promises of Faith, Trust, and Joy- Promises of Gifts and Blessings Each devotional has the same basic format - a verse, a few sentences on the

topic including a short prompt, and some lines to respond with thoughts and/or prayers. And of course there are plenty of images to color. The images range from patterns and swirls to plants and animals...and a few delicious treats are thrown into the mix, too. My 13 year old daughter took a peek at the Promises for You Coloring Devotional and she felt that the devotional portions of this book were too short. She also recognized that some of the artwork had been duplicated from other Zondervan/Zonderkidz coloring books that we own. With that said, I know she will still enjoy this book, and she can use it as a jumping off point to dive deeper into God's word. In my opinion, this devotional is a coloring book with a boost - and a great choice for any tween or teen girl. FTC Declaration: The publisher has provided me with a complimentary copy of this book or advanced reading copy through their book review bloggers program. This does not change the fact that I will give my honest opinion in my reviews.

Inside are coloring backgrounds you can fill in before or after your time with God. the introduction states in the book, Promises for You Coloring Devotional: 60 Days Discovering God's Hope and Love. ~ What ~ Part of the Faithgirlz series, this one-hundred-and-twenty-eight-page hardbound targets girls eight to twelve years old, but it could be used by older females. With sixty devotionals, the right side of the pages and part of the left side have black and white artistic design to color with a promise of God highlighted on the left side. The topic includes a written out verse or two from the Bible, followed by a paragraph or two about the subject. Below are several blank lines to write thoughts and notes. The ending has a page regarding asking Jesus into one's life with a full blank lined page for notes. The New International Version of the Holy Bible is quoted. The sixty short titled devotions are divided into five sections of promises of strength, courage, and hope; forgiveness, comfort, and safety; truth, wisdom, and beauty; faith, trust, and joy; and gifts and blessings. The drawings involve flowers, leaves, hearts, birds, foods, objects, and patterns to name a few. ~ Why ~ Girls who love to draw, doodle, or fill in coloring books will love this book that promotes discovering God. I like that the written words are short and to the point, hopefully stimulating a young girl to consider all God offers while improving her relationship with Him. The paper used is thick so the ink should not bleed through to the other side. ~ Why Not ~ Those who do not have a personal relationship may not be interested in this type of coloring book. Others may not care for coloring or doodling. Parents may wonder if the child will spend more time coloring than concentrating on the devotion to God, but it is a good starting point to be in His word over a sixty-day period if one is done each day. ~ Who ~ No information is given on the author or illustrator of this Faithgirlz book. ~ Wish ~ Although the last page

is about eternal salvation, it does not mention Jesus shed His blood on the cross for our sins and was raised from the dead. I wish all pronouns of God were capitalized for reverence. Including a ribbon marker would be thoughtful.~ Want ~If you are looking for a Biblical devotional with coloring pages for a young artistic girl, this will make an excellent choice.Thanks to Z-Blog Squad for this complimentary book that I am freely reviewing.

Promises for You Coloring Devotional: 60 Days Discovering God's Hope and Love is a wonderful devotional book with coloring pages. It is designed for girls ages 8 - 12.This is a well made hardcover book by Zondervan (ZonderKidz). It begins with a presentation page with book instructions. Then there are 60 days of devotions and coloring. Each day has a coloring page followed by a page with a Bible verse and a journaling prompt. For instance: "What are your hopes and dreams? Jot them down on the lines below. As you do so, think about the fact that God knows the hopes you hold in your heart. He wants you to dream big, and he wants you to trust him with plans. Because only God can make them come true. When you put your faith in God, he fills you with hope even greater than you can imagine" (first devotion in book).I think this is such a positive and empowering book for girls. I particularly love the combination of coloring and journaling with a question prompt each day.The book is well made with fun designs to color -- most are intricate and will take a bit of time, all great for relaxing and thinking. Although the book is a hardcover, the coloring pages flatten out for coloring if you rub a hand gently but firmly along the open pages before coloring.I recommend this fun and positive coloring devotional for older elementary and middle grade girls. I think they will find it both enjoyable and thought provoking!
