This book is great! I love that it has 200 recipes, and they are easy, everyday food perfect for my family of four. The photos are nice and the recipes are easy to follow. So far I've made the Rosemary Braised Lamb Shanks and the Turkey Pot Roast and both were a hit!

Good assortment of recipes and easy to use. Nothing Earth shattering, but good, simple, home cooking.

Exactly as described.....good recipes to use with the Instant Pot Pressure Cooker.

Every recipe is easy. My family is on very restricted diets and these are easy to adapt as well. Most fit the bill as good clean food. I've been buying it as a gift for other Instant Pot owners.

Easy to follow recipes.

I've just tried about six recipes so far but all were fantastic.

Best Instant Pot cook book yet! Tons of delicious recipes that are easy to follow. Format of book is straightforward. Has more photos than other IP cook books which is a plus! Great one to add to your collection.

Lots of good recipes. I wish that it contained some easier less exotic ingredients. I need a book that is "family" ready.
