# Fodor's Buenos Aires (Full-color Travel Guide)

## Synopsis

The most European of South America's capitals, Buenos Aires charms with its cobbled streets and wrought-iron balconies and dazzles with fast-paced tango dancing, thrilling soccer matches, and a seemingly endless array of eateries and nightclubs.

## Customer Reviews

"Fodor's is pitched a few notches higher, aimed at a fairly discerning traveler with an appetite for background and the occasional surprise." [New York Times](#)

"The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." [Chicago Tribune](#)

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." [Booklist](#)

"Fodor's super-informative guidebooks are known for accuracy and attention to detail." [Sacramento Bee](#)

"Fodor's can help you plan the perfect adventure." [Arizona Republic](#)

For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. We hire local writers who know their destinations better than anyone else, allowing us to provide the best travel recommendations for all tastes and budget in over 7,500 worldwide destinations. Our books make it possible for every trip to be a trip of a lifetime.

The guide was good; a few items were out of date, such as the information about purchasing tickets for the Buenos Aires metro. 10 ticket packs are no longer sold; one must buy a reloadable smart card which can be hard to accomplish at smaller stations. Otherwise we enjoyed the recommendations. about Iguazu Falls that are also included in this volume. However the book arrived water logged which was really not acceptable.

I like FODOR's travel books, they are so detailed, one does not need to go to multiple sources of finding where to go when visiting a new city. This book covers all the good places to visit and covers off the beaten track places. I have been using FODOR's books for over 20 years and am very pleased with them. It is true one can search online for places to see but there is nothing than a book to carry and look for places to see, especially in foreign cities where cell phone data plans are expensive.

I bought my old standby, Lonely Planet guide and decided to get a second perspective since we would be in Buenos Aires for almost a month. The Fodor's has a lot of great information and advice, but seems more difficult to navigate than Lonely Planet. That could purely be because I'm familiar with its format, but I've been using Fordor's as a back up, traveling around the city with Lonely Planet.

Not as easy to navigate, nor as in depth as I had hoped.

informative

Very good

great book with lots of good information. The walking tours, addresses, and hours were especially helpful. I just wish it was a bit smaller for easy carrying

It's a little broad if you're just looking for something on Buenos Aires, but it's one of the very few guides OUT there, so there you go.
