Year One Collection: 2016

Synopsis

Included with this collection - Seeing Red: Scorched (Vampire/Dark/Romance) Omega Moon (Mpreg/Murder-Mystery/Shifter) Warlock Academy: Tomes 1&2 (Dark/Fantasy) College Climax: Confidential Edition (Climax Saga Book 1) (Contemporary Romance) Christmas Climax (Climax Saga Book 2) (Contemporary Romance) Plus, art/cover designs, an interview with the author, and the plan for 2017.-----The complete first year works of T.C. Orton, who debuted as an author in January 2016. There are two worlds to follow within these pages... The first is a world of the paranormal, of Vampires lurking down London alleyways, of Werewolves forming packs outside a college campus, and of Warlocks attending a magical academy in which they learn to harness their powers. Each of these stories, and characters, co-exist within the same universe. The Omega Moon Universe. The second world you'll come across is much like our own, where the only magic you'll see is that of extraordinary stamina in the bedroom. The Climax Saga is a series of short stories revolving around a college escort named Luke, and a British transfer student named William who goes by Billy. Their tale is an unconventional one.

Customer Reviews

Folks, this is one of my favorite new mm authors...he writes with a lot of passion and depth...his characters are well developed and likeable...the antagonists are interesting and compelling...the plotlines are excellent...there isn't a bad book in this bunch! Every one in the collection is very good and I can't wait to see what TC comes up with next!

There is so much good in this collection. I was addicted to it from the start and couldnt get enough of each novel. I cannot wait to read more by this author.

I really enjoyed all the stories. I am looking forward to reading more of his books. This was a really good introduction to him as a writer.
