Joy In The Journey - Encouragement For Homeschooling Moms

Synopsis

In *Joy in the Journey*, veteran home educator Lori Hatcher speaks candidly about the unique challenges homeschooling mothers face. With humor and faith, she shares lessons from her own homeschooling journey and challenges you to press on. With a devotion for every week of the school year, Lori tackles tough subjects such as discouragement, sibling relationships, busyness, priorities, and character training (yours and theirs). She'll teach you how to know the difference between good, better, and best, and how to seek God for everything you need to successfully homeschool your children. Lori speaks frankly about the Six Reasons Homeschooling Moms Quit and how you can avoid them. Best of all, she offers hope and insight for those who are enjoying success and those who are struggling. Interactive and engaging, each devotion is accompanied by application questions, an action step, and a prayer of commitment. *Joy in the Journey* is perfect for your personal quiet time or for use by a support group for discussion topics and meeting ideas. Like a visit with a wise friend, Lori's words come alongside you to cheer you on through the joys and struggles of homeschooling motherhood.

I'm a homeschooling dad living in Japan. Looking for encouragement I purchased Joy in the Journey via .jp. I have been very blessed by this book. Lori reminds us to always reflect back on why we chose to homeschool in the first place. I totally recommend this book to any homeschooling mom or dad.

This book was ok but not what I was expecting. As a homeschool graduate and mom myself, there wasn't anything in here that was new to me. Would have liked more ideas or stories of personal experiences. It's kind of more like a Home school mom's devotional.

I am reading through this during our mid-year review. Helps to reassess homeschool goals and objectives. Just what I was hoping for...fun, short readings that really make you think through your homeschooling plans.

This devotional is set up so that you read one devotion per week. It is a fantastic book. As a homeschooling mom, this book has been very helpful and I've enjoyed it so much that I've found myself wishing it had devotions for every day of the week. I highly recommend this book.

LOVED this book;0 So encouraging for a new Homeschool Mom:~!

This book was a great read. Very encouraging and helpful. Enjoy your time home with your kids don't rush it!

Wonderful devotional for moms who are in the trenches of homeschooling. I just wish it had more than one devotion per week, I tend to get busy and forget to go back to it!

This is meant to be a weekly devotional, but I devoured it in hours. So much wisdom here that it may become part of my daily reading.
