# I Survived The North Korean Missile Crisis

## Synopsis

'I survived the North Korean Missile Crisis, My journey to the DPRK' is a book about one mans journey to the most controversial country on earth. In December 2011, the "Dear Leader" Kim Jong Il died. His death signified a major transition of power and culture for his tiny country. The official mourning period was over, so I took a risk and travelled to North Korea for five days. This is my story of how I survived the North Korean Missile Crisis.
