# The October List

## Synopsis

One of Kirkus Review's "Best Books of 2013" The shocking end is only the beginning . . . #1 bestselling author Jeffery Deaver has created the most riveting and original novel of the year—a race-against-the-clock mystery, told in reverse. THE OCTOBER LIST Gabriela waits desperately for news of her abducted daughter. At last, the door opens. But it's not the negotiators. It's not the FBI. It's the kidnapper. And he has a gun. How did it come to this? Two days ago, Gabriela's life was normal. Then, out of the blue, she gets word that her six-year-old daughter has been taken. She's given an ultimatum: pay half a million dollars and find a mysterious document known as the "October List" within 30 hours, or she'll never see her child again. A mind-bending novel with twists and turns that unfold from its dramatic climax back to its surprising beginning, THE OCTOBER LIST is Jeffery Deaver at his masterful, inventive best.

## Customer Reviews

Starred Review. Thriller Award Winner Deaver (Edge) delivers a clever, demanding stand-alone that moves backward in time over the span of a three-day weekend, from Sunday evening to early Friday morning. In the first chapter, office manager Gabriela McKenzie, whose six-year-old daughter, Sarah, has been kidnapped, waits in her Manhattan apartment for news from fund manager Daniel Reardon, who's attempting to deal with kidnapper Joseph Astor. Gabriela must not only pay a \$500,000 ransom but also fork over the mysterious October List, which belongs to her former boss Charles Prescott, the head of Prescott Investments, who has fled from a police investigation. As the ingenious plot folds back on itself, the reader has to reevaluate and reinterpret the constantly shifting facts in the case. The finished picture finally emerges with a shock of recognition. This is brilliant craftsmanship in a vastly entertaining package. Agent: Deborah Schneider, Gelfman Schneider Literary Agents. (Oct.) --This text refers to the Paperback edition.

"Might well be Deaver's most fiendish thriller ever...as the pace quickens and the story continues to backtrack, solid evidence, established plot points and sturdily built characters all begin to come undone, until what started out as an interactive game becomes a truly unnerving exercise in deception." New York Times Book Review "Don't skip ahead to the beginning and spoil the fun that's guaranteed for anyone interested in a thriller that forces readers to use their brains in a creative way...Deaver is a master of manipulation and "The October List" is a small but powerful book." Associated Press
