Chasing Yesterday: For Jessie, Love Isn't An Option

Synopsis

Jessie Wheeler has experienced the wrong side of love. Her long-term girlfriend Kelly didn't think twice about cheating on her with one of her own co-workers. She's been living in Vancouver for the past few years but her Grandpa or Pop-pops, as she has always called him, was killed in a car accident one that was caused by a drunk driver, Gus Jackson. Jessie has inherited his ranch, his dog Blue and everything else that goes with it. Now she has the chance to make drastic changes in her life. A moody type of character, she doesn't let people into her life so easily but when Heather King turns up, Jessie's heart begins to soften.

Customer Reviews

Chasing Yesterday just screams sequel. Much too short. The beginning of love for Jessie and Heather was cut short. What happens to Jessie and Heather now that they have found each other

again? What about Heather's father? Her daughter Summer. Please, please sequel!

ÃfÂ Ã Å,Ã Å'Ã Â ÃfÂ Ã Å,Ã Å'Ã Â ÃfÂ Ã Å,Ã Å'Ã Â ÃfÂ Ã Å,Ã Å'Ã Â ÃfÂ Ã Å,Ã Å'Ã Â

It was short but very satisfying. As the walls around her have been demolished, you get a wonderful woman, Jessie. And Heather is so amazing. It hit me what happened with Heather and it's something I wasn't expecting. A drama with an open end and a little happiness. I hope with all my heart that there will be a sequel.

I really enjoyed this book , well written. The only problem is I want more, I refuse to give a spoiler so I have to end it here but I must say it was well worth the money

I enjoyed this book. I really liked the story line and the backdrop for the story but I would have liked to see more of the relationship develop between the main characters.

This book has misspelled words, missing words and missing letters in words. It also has incorrect words, such as toe being used when the word should be TOW. Because of these editing issues this book is difficult to read.

Poorly written and poorly edited. Sorry I washed the money.

A nice, easy read, love story. Exactly what I was looking for when I selected it. I thought Shiralyn did a good job getting into the main character, Jessie's, emotions. We all know people who have been hurt in past relationships, resist getting involved again and become stuck behind emotional walls. We tend to want to cheer for these people, in real life, and in this book, hoping they'll break through their self-imposed shells and move on. This was my first Shiralyn book and I'll definitely be reading more of her work.

A good read would have liked to see more of what happened after Jessie and Heather met up again, how and if they move on if Heather regains her memories. Just felt incomplete. Please consider a sequel because I felt that the characters are sitting waiting for the rest of their story to be written and they won't be quiet forever. :)
