Jayne Ann Krentz CD Collection 2: Light In Shadow, Truth Or Dare, Falling Awake

Synopsis

Light in Shadow: Zoe Luce is a successful interior designer who's developed an unusual specialty - helping recently divorced clients redesign their homes. When she senses that one of her clients may be hiding a dark secret, she enlists P.I. Ethan Truax to find the truth. They solve the mystery and barely escape with their lives. But Zoe's own past starts to shadow her every step.

Truth or Dare: Zoe Luce is settling into newlywed life with private investigator Ethan Truax. Very few people know of her uncanny ability to sense the dark secrets hidden within the walls of a house, and she wants to keep it that way, even from Ethan. As a private investigator, Ethan is paid to find the truth, yet he has secrets of his own that are better left buried. Is the truth a bigger burden than their still-fragile relationship can handle?

Falling Awake: Isabel Wright spends her days at the Belvedere Center for Sleep Research analyzing the dreams of others. One of her anonymous subjects captures her imagination through his compelling dream narratives. His real name is Ellis Cutler, he works for a highly classified government agency, and he has just been ordered by his boss to make contact with Isabel. But when they meet in the flesh, the dream becomes real enough to touch. And a waking nightmare begins.

Jayne Ann Krentz is the author of fifty New York Times bestsellers. She has written contemporary romantic suspense novels under that name, as well as futuristic and historical romance novels under the pseudonyms Jayne Castle and Amanda Quick, respectively. She lives in Seattle.

This collection starts out with *Light In Shadow* read by Joyce Bean. It is a story about Zoe Luce, an interior designer who walks into rooms and can hear murder in the walls and about Ethan Truax, a P.I. that helps Zoe confront her past and escape that which binds her to her nightmares. As they solve the mysteries together, they fall for each other in an unusual love story. The next story is *Truth or Dare* also read by Joyce Bean. It involves a continuation of Zoe and Ethan's relationship, mysteries unsolved surrounding Ethan (& his nightmares) and provides relationship conclusions for most if not all of the characters. ** I recommend listening to this after *Light In Shadow* because LIS is a good set up for *Truth Or Dare* which is a bit scattered and involves more characters & their relationships.- just my opinion. *Falling Awake* is the last story in the collection which stands alone and is read by Laurel Merlington. This is my favorite of the 3. It is a story about Isabel Wright, a level 5 dream research analyst/dreamer and Ellis Cutler, another level 5 dreamer and the murder mysteries they must solve in order to stay alive. I like the little twist in this love story in that, Isabel first met Ellis in all his dreams that she analyzed. Not knowing each other physically, Ellis desperately wanted to meet Isabel, his "tango dancer" and Isabel wondered and longed for her "dream man."

All of Jayne Ann's are great...this is no exception.

Good story lies-good characters. Holds your interest to the end. Krentz is one of the best at this type of fiction. I would have preferred unabridged but I will take what I can get.
