Hard Way (A Jon Reznick Thriller Book 4)

Synopsis

Jon Reznick has never played by the rules, a trait that has brought him into conflict with FBI Assistant Director Martha Meyerstein in the past. But now Meyerstein has been taken by a shadowy gang, and the renegade black-ops specialist may be her only hope for rescue. The FBI are reluctant to let Reznick anywhere near the case, but he's not in the habit of seeking their permission—especially once his covert investigation leads him straight to the head of the Russian mob. And it soon becomes clear that it's not only Meyerstein who's in danger: her abduction is just the start of a campaign to undermine American law and order. With Meyerstein's whereabouts unknown, and the CIA and FBI seemingly operating at cross-purposes, it falls to Reznick to go it alone. Can he get to Meyerstein before the mob get to him?

Customer Reviews

J.B. Turner has a golden touch when it comes to creating heart-thumping intrigue and fast paced

action. I thoroughly enjoyed myself with this one.

This was a fast read with LL the action of the first 3 books. Jon was even more on point in this novel which made it more fun to read.

I have read all of the Reznick books and thoroughly enjoyed them all. I also read the Deborah Jones books and would recommend them as well.

I've read many of this author's books and this one doesn't disappoint. Many of the characters are common to previous Turner novels.

Another excellent and exciting novel by J. B. Turner. Lots of twists and turns in the intriguing plot will keep you guessing until the end.

Fast paced and hard to put down.. Looking forward to the next installment in the fast paced series. A definite winner.

Action packed, had to make myself put the book down because I was falling asleep it was so late and my eyes were shutting on me. Can't wait for the next one!

The best of the 4 books so far. I will read another one of its out yet. I guess will keep me posted.
