The Mammoth Book Of Cover-Ups: The 100 Most Terrifying Conspiracies Of All Time

Synopsis

The one hundred conspiracy theories of all time-from Harold Wilson as a Soviet agent to Princess Diana's death, from the attacks on 9/11 in the U.S. and on 7/7 in London. This volume presents research and plausible cover-up theories for the reader to judge.

Average Customer Review: 3.9 out of 5 stars 38 customer reviews

Best Sellers Rank: #96,195 in Books (See Top 100 in Books) #108 in [Books > Religion & Spirituality > Occult & Paranormal > Unexplained Mysteries](#) #849 in [Books > Politics & Social Sciences > Social Sciences > Communication & Media Studies](#) #3366 in [Books > History > World](#)

Customer Reviews

Jon E. Lewis is a historian and a hugely experienced Mammoth editor, whose recent books include the Mammoth Book of Pirates, the Mammoth Book of How it Happened, the Mammoth Book of True War Stories Volume 2, and the Mammoth Book of Wild Journeys.

It's the real thing. And people that knew about them from the inside ask me: "Where in heavens did you learn that?" I tell them "Somewhere...", and then it goes the "WOW!" And I ask: "So it is true?" And some say yes and others change the topic, but no one had said that's nonsense!

VERY INTERESTING

Very cool book. I'm no tin foil hat wearing nut but I like a mystery as much as the next guy and this book is full of great "stories". The big stories have supporting reports from other sources if you need more info on JFK or MLK. Highly recommended.

A+ book, that covers a wide variety of topics dealing with conspiracies. My grandson loved it!

I like this book as a starting point. I think everyone should read more. You should read books for and against a subject, books in the middle, and books on the periphery that mention the subject.. The author takes about 100 subjects discusses them and then gives them an alert level rating. He also gives you other books to read on the subject. Probably what I didn't like necessarily was his conclusions that led to his alert level rating. However, he brings out points that I didn't know. For instance former president George HW Bush was meeting with Shafi bin Laden, Osama's brother at the Ritz-Carlton hotel on the morning of 9/11. Tidbits, like that, I find interesting and useful to further pursue. Like I said, it's a good starting point for the reader.

great

Great book alot of information

Very interesting
