Omur Akkor, a gourmet chef, was born in Kilis, Turkey, a town known with its rich cuisine. He researches the local and forgotten cuisines of Turkey and has visited hundreds of cities and towns within Turkey as part of his study of historical and contemporary recipes from Turkish cuisine. His book, *The Cuisine of Bursa*, won the Gourmand World Cookbook Award and the Best Local Cuisine Book Award in 2009. Akkor also won the Gourmand Cookbook Award for Best Culinary History Cookbook in 2012, and the Best Corporate Book in 2014. He lives in Istanbul, Turkey.

I would love to give it a better rating, but the book is very short, and there are simply better books out there on this topic.

I look forward to the recipes.

Magnificent cookbook!

While it is a neat cookbook and is useful to a home cook, it has no value to anyone that wants to do scholarly research on the history of Ottoman cuisine. There is no bibliography or citations of sources and the only two sources mentioned in the text are from the 19th and 20th century. There are earlier sources to draw from and it is apparent this author knows of them but hasn't chosen to cite them. the back cover mentions a rich history of Ottoman cuisine dating back 600 years and promises a history lesson but fails to deliver.
