## Customer Reviews

I had read the first story in this series and was unsure whether this sequel would manage to keep up the pace and interest of the original. I was delighted to discover that it does. Here we find Grace still

determined to get her revenge on the members of the Guiltless Gang who so ruthlessly murdered all her family. She has found work as a bounty hunter and, on hearing of plans to stage a train robbery with two of the Guiltless Gang members among the criminals, buys a ticket to be there when it happens. The problem is Joe, her love interest, has arrived back on the scene and is feeling protective. Will Grace be able to carry out her plan with him around? And then there's the small problem of a young girl who wants to be Grace's deputy - what will happen when she travels on the very train due to be robbed and starts to 'help out'? Non-stop action and romance carry the reader along as the characters are developed. I am not normally a reader of western-style stories, but fortunately decided to give this series a go - I have not regretted it!

In book two of this series, Grace continues to pursue the gang who brutally murdered her family. She struggles with questions about faith and revenge even as she seeks justice and falls in love. The romantic subplot is passionate but cleanly written. Featuring shoot-outs, bounty hunting, and a train robbery, *Her Cold Revenge* is an action-packed YA Western.

This series just gets better and better! Having read the first *Wanted* book, *Grace and the Guiltless*, I had high hopes for book 2 - Erin Johnson did not disappoint. Grace, the badass heroine, who is on a quest to get justice for her murdered family, is the very epitome of a girl power character. However she is also at times a vulnerable and selfless character, which greatly endears her to the reader: it would be difficult not to warm to, or root for, a girl so brave and thoughtful. The tale has a wonderfully action-packed plot and such was my enjoyment of the story that I read it in one sitting. Fast-paced, filled to the brim with memorable characters amongst a vivid backdrop this is a beautifully written book is a must-read for teens or adults alike.

As a big fan of Westerns, I so enjoyed the first book of the *Wanted* series, *Grace and the Guiltless*. We were introduced to a compelling protagonist, Grace, a survivor of a horrific family massacre. Vowing justice for her family, Grace turns bounty hunter and seeks revenge against the Guiltless Gang. This book continues her mission for justice. He leaves her beloved Joe to become the only female bounty hunter in the Wild West. A fully realized character, she's more confident in this sequel, and more determined than ever. When Joe shows up unexpectedly, igniting old passions, she begins to waver: does she choose love or justice for her family? This is an action-packed adventure, and better than the first book!

Second book its kinda blahhhh

After reading the first Wanted book - Grace & the Guiltless, my daughter loved it and couldn't wait for the next installment. She was not disappointed - Her Cold Revenge is a wonderful continuation of Grace's story that ups the ante for our female protagonist. She's now a bounty hunter, using her brains and grit to challenge everyone who says that's a man's job, and her success inspires another girl to follow in her footsteps. Nice to see the western genre tweaked for a woman's point of view.

This is the second book in a series about Grace Milton, a girl whose family was murdered by the Guiltless Gang. In her pursuit for revenge, Grace becomes a bounty hunter in the Wild West, and must act to stop two of the gang members from robbing a train. The only problem is that Grace's love interest, Joe, shows up, and then Grace is torn between wanting to be with Joe and avenging her family. I'm not normally a Western fan but this book won me over. It's a suspenseful, action-packed read!

Grace is back, braver than ever. As a bounty hunter, she continues to seek revenge for the horrendous slaying of her family. This is a fast-paced, well-done sequel. Despite hardships, Grace carries on with bold determination. I enjoyed her relationship with Joe, as well as with a young town girl who looks up to her. A must-read for fans of westerns!
