## Customer Reviews

Love this! I put 1 or 2 pieces of blank paper behind page as a blotter because I use markers, which bleed through. Markers are more vibrant than pencils. Come out beautiful.

By far the best book of designs I have seen. The paper is very nice. I do hate the lack of perforations.

Wonderful boredom buster. Makes you think. Unleashes your creative side. At lunch, at the park or waiting at the doctors office. Perfect gift for you or your artistic friends!

AOK.

Love Marti Jo's books.

Love these coloring books. Very relaxing
