Special Forces: Operation Alpha: Protecting Sam (Kindle Worlds Novella)

Synopsis

Former SEAL Steve "Smoke" Tannen is finding the transition back to civilian life more of a challenge than he'd expected. Not only is he dealing with the aftereffects of a horrific ordeal overseas, he doesn't know what normal is anymore. When his former team leader enlists his help in a project to help other vets, Steve doesn't hesitate to sign on with a new team. Samantha Appelhoff dreams of owning her own coffee and bake shop, but a persistent stalker and dark rumors about her past aren't making things easy. When the sexy, chivalrous guy moves in next door, she plans to keep her distance, but that's hard to do when he keeps showing up when least expected but always just when she needs him. Are they just nice neighbors or could they be something more than friends? The attraction is instant and their connection is real, but is that enough to convince Steve and Sam they can have their own happy ending?

Customer Reviews

I loved reading Sam and Steve's (Smoke's) story in Kindle World!! This book was hard to put down. I found myself making bargains with myself about when I would put it down; such as when I reached the next page, next paragraph or next chapter. of course, I never found the right moment to pause

my reading to go do other things. So, giving up sleep it was! I loved how Steve made Sam feel at ease and protected as he got to know her. The best part, for me, was Steve realizing that his feelings for Sam had come upon him without them exchanging a single kiss. It scared Steve to realize he almost lost Sam before their first real kiss! The rest of his SEAL teammates made Sam feel like family, even more so than the small community that she grew up in; and it helped to open Steve's eyes to how he felt about her. Great love story; definite feel good read! You need to read this book; you won't regret it. I hope the other SEALs will eventually have their own stories told too. :)

Absolutely love Abbie Sanders books so when I saw her book in Susan stoker kindle world I had to have it. Of course I made a good choice in doing so .great book and I hope she comes out with a book on all of church's group. definitely be reading every one of them. If you like stalker books you will love this one....I did !Hope you decide to read it ,if you do leave a honest review if you will. P.S.If you love church's crew Encourage Abbie Sanders to write the rest of church's crew story ,Who knows !maybe she will. “

Well Stoker fans will not be disappointed in this new addition to this latest round of kindle world books. I can't wait to see what Ms. Zander does with the rest of Smoke's team!

Great book about a former navy Seal and a woman he's trying to protect. Fans of JM Madden's Lost and Found Series will recognize "Tex". Well written and interesting.

I am a fan of Susan Stoker, and she recommended this kindle world book. Loved it! Very well written, fast paced! Enjoyable read! I will buy more from Abbie Zanders!

Another awesome book in the Kindle World. I loved reading about Steve and Sam. I could not put it down. I really didn't want it to end. There was action, love and mystery. I can't wait for the next one!

I really liked this. Characters were tightly woven proving it is a small world. Loved this story. Read this in one reading. I will read more of Abbie Zanders.

Sam and Steve were written perfect. The plot, the characters, smart, funny, sexy, sweet confection! Another winner in SSKW. And of course our beloved Tex!
